Please remember, the Brazilian Blowout Professional Smoothing System must be performed by a certified licensed stylist only and must be used with appropriate ventilation and in accordance with manufacturer instructions. Stylists should wear protective gloves when performing this treatment. Both stylists and clients should wear protective eyewear for optimal protection. If the Brazilian Blowout Professional Smoothing System comes into contact with the skin, wash immediately. If ingested or in contact with eyes, call a physician. If you are nursing or pregnant do not use this product. Do not use this product on children, pregnant women, chemically sensitive clients, the elderly, and clients with respiratory conditions. Keep out of reach of children.
