1. PREP

Thoroughly wash the hair with **L&F Instant Curl Refresh Shampoo**. Towel dry the hair until damp.

2. MEASURE & APPLY

Dispense 1 oz (30ml) **Curl Defining Treatment** into a clean color bowl. Using an applicator brush, apply product in 1" sections starting at the ends and working up towards the roots.

3. PROCESS

Place a plastic cap on hair and process under medium to high heat for 15-20 minutes, using your professional judgement

4. RINSE

After client finishes processing, lightly rinse out the treatment using cool water.

5. BLOW DRY

Using a diffuser, blow-dry the hair using warm to cool air.

6. FINISH

Style and shape hair as desired.

MAINTENANCE:

We recommend clients use **Leaf & Flower Curl Aftercare** to prolong the service benefits between appointments.
