### Root Lift Spray Mousse

Gold Root Lift Spray Mousse is a heat-activated, lightweight spray mousse that provides spectacular lift and height at the crown for a fabulously full finish while visibly increasing volume and fullness.

#### How To Use:

Shake well before use. Spray into wet or damp hair at the roots— or in the areas where volume is most desired. Blow-dry with a round brush or power-dry into your perfect style.

#### Cocktail:

- Apply Root Lift Spray Mousse on roots and Delicious Foundation on lengths and ends to maximize the hair's volume and fullness.
- To get a smoother and more voluminous look, mix a tiny amount of Silky Drops or Argan Oil with Delicious Foundation to lengths and ends before blow-drying

#### Features:

Hair Type: fine or thin hair wanting lift at the roots

- Creates amazing volume from the root
- Not sticky or heavy
- Hold factor between 4-5 out of 5

### Session Hairspray

Gold Session Hair Spray adds shine and provides a stay-put finish. It perfectly holds the hairstyle while leaving an extremely natural look. The unique formula offers long-lasting hold and protects the hair from drying out. It's the perfect spray for daily use as well as for special occasions.

#### How To Use:

Spray on dry hair from about 8–10" (20–25 cm) away. The extended dry time is ideal for creating and shaping the style of your dreams. Dries in 10–15 seconds. For extraordinary hold and creative styling, apply heat from a blow-dryer for a few seconds to set the style.

#### Features:

Hair Type: all hair types and textures

- Adds shine
- Great for all hair lengths
- Enhances the natural texture
- Hold factor between 4 – 5 out of 5
