

SEAL-ALIGNER SERVICE MENU

LONG-LASTING INSTANT SEALING SYSTEM

STEP 01 SHAMPOO

CLARIFYING OR BIDIMENSIONAL SHAMPOO

Apply Bidimensional shampoo for fine hair or Clarifying shampoo for thick hair.

STEP 02 APPLICATION

SEAL ALIGNER OR SEAL ALIGNER BLOND

Remove excess water with a towel. Divide wet hair into sections. Begin applying from the nape of the neck, leaving 1cm (0.4 inches) away from scalp to ends of the hair. Apply from root to tip. Processing time: 30 min for fine or fragile hair - 60min: for thick or resistant hair.

STEP 03 RINSE

Rinse hair thoroughly to remove all product.

STEP 04 FINISH

FINISH PRODUCT

Apply your preferred finishing product or heat protectant. Style as desired.

LONG-LASTING TECHNOLOGY

GUARANTEES LONG-LASTING EFFECT FOR UP TO 16 WASHES - AN AVERAGE OF 6 WEEKS

It acts to condition and seal the cuticle of the hair, giving softness and silkiness to the hair fiber while promoting an alignment of gradual potentiation, for increasingly manageable hair with controlled frizz.
